

General Administration of Customs
The People's Republic of China
Public Announcement

2008 No. 54

In accordance with *Measures for Manifest Administration for Inbound and Outbound Means of Transportation of the People's Republic of China* (Decree No. 172 of General Administration of Customs), General Administration of Customs has formulated the electronic data format for cargo manifest of inbound and outbound means of waterborne and air transportation, including *Data Items of Original Manifest* (see Appendix 1) , *Data Items of Tally Report* (see Appendix 2), *Data Items of Cargo Diversion or Port Diversion* (see Appendix 3), *Data Items of Arrival Report* (see Appendix 4), *Data Items of Packing List* (see Appendix 5) , *Data Items of Pre-stowage Manifest* (see Appendix 6), *Data Items of Load Manifest* (see Appendix 7), which is promulgated with this public announcement.

Appendix:

- 1 . *Data Items of Original Manifest*
- 2 . *Data Items of Tally Report*
- 3 . *Data Items of Cargo Diversion or Port Diversion*
- 4 . *Data Items of Arrival Report*

- 5 . *Data Items of Packing List*
- 6 . *Data Items of Pre-stowage Manifest*
- 7 . *Data Items of Load Manifest*

15 August 2008
