# Ditlev Blicher

**Born:** 1971

**Nationality:** Danish

**Joined Maersk:** 2020

**Position:** Regional President for North America

With more than 25 years in logistics and supply chain, I am the President for North America of A.P. Moller - Maersk. Together with the Maersk leadership team, we deliver end to end, integrated logistics services to our customers in North America. In addition to delivering on our customer and employee promise, we are embarked on one of the greatest transformations in the history of the logistics and shipping industry. Our strategic vision is to become the Global Integrator that connects, protects, and simplifies our customers' supply chains.

I am motivated by Maersk's vision and the commitment to making bold and brave choices that will not only propel the company forward but also lead the wider industry in years to come. I lead our team in our efforts in North America, in the transformation of Maersk to meet and thrive in the changing business landscape.
