

BUSINESS MODEL

What we do and how we create value

A.P. Moller - Maersk enables our customers to trade and grow by transporting goods anywhere. We work to provide customers with end-to-end products and services, taking the complexity out of global value chains.

Value created

For our people

Our people bring key skills and capabilities to our business and in turn we must keep them safe and engaged while offering interesting career paths in enabling global trade.

For the environment

Our industry is a significant contributor to global greenhouse gas emissions and through investment and collaboration, we will decarbonise our operations.

For our investors

In our transformation to become the global integrator of container logistics, we continue to innovate and grow shareholder value.

For our customers

We offer our 70,000 customers to take responsibility of their supply chain logistics.

START DESTINATION

Stakeholder relationships and partnerships

We rely on constructive relationships with, e.g., customers, suppliers, peers, and authorities to maintain supportive framework conditions.

Technology and IT

Technology and IT are key to enhancing our operational performance and solutions for our customers.

Assets and end-to-end delivery network

Our assets, supplier relationships and expertise in end-to-end delivery networks ensure our customers resilient supply chains.

Our brand

For more than a century, we have built partnerships with customers, enabling them to prosper by facilitating global trade.

Financial capital

We have a strong balance sheet and are committed to remaining investment grade-rated.

Resources

Our people and culture

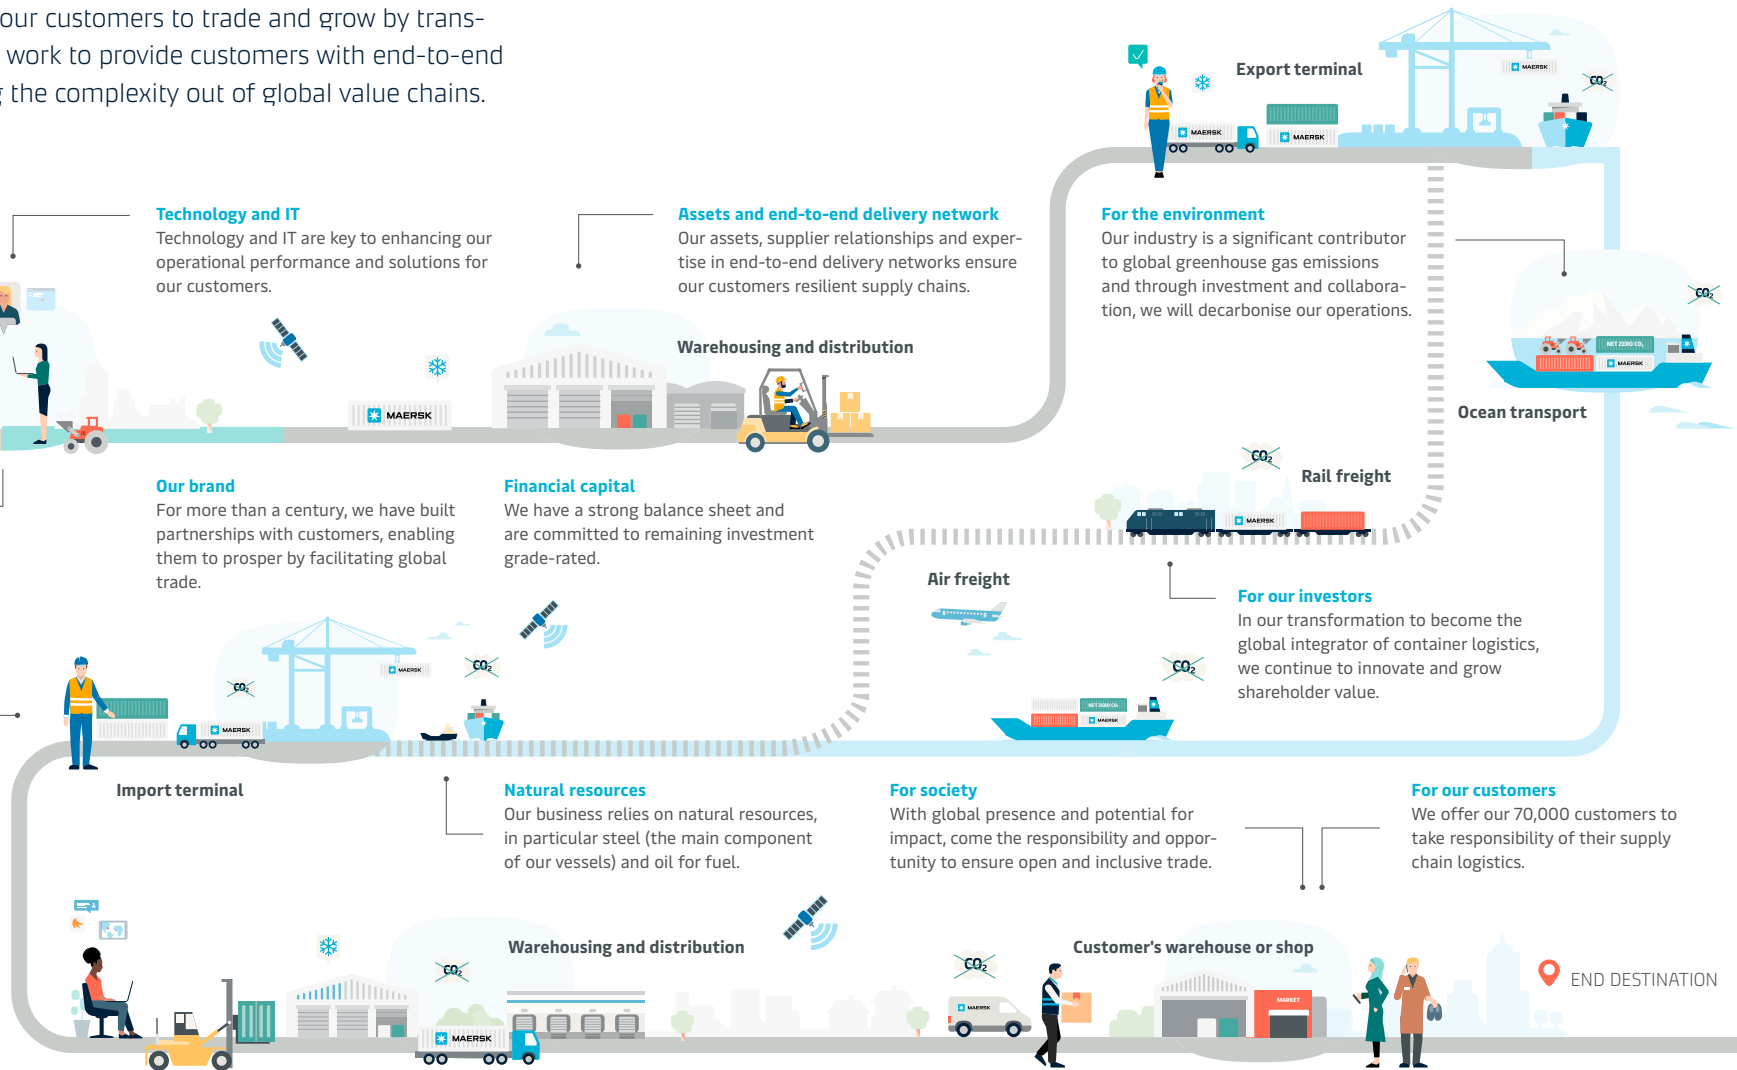

Our talented and diverse group of 80,000 employees live our core values every day as they help customers realise their ambitions.

Natural resources

Our business relies on natural resources, in particular steel (the main component of our vessels) and oil for fuel.

For society

With global presence and potential for impact, come the responsibility and opportunity to ensure open and inclusive trade.
