The A.P. Moller - Maersk Group has been a signatory to the UN Global Compact since 2009, and in 2011 we joined the LEAD programme.

Our Sustainability Report is our annual communication on progress (COP) to the UN Global Compact, and it incorporates information on our sustainability activities according to the UN Global Compact advanced level assessment criteria. All information in the report has been assured by PricewaterhouseCoopers. All our COPs are available on the UN Global Compact’s website.
