### Demurrage and Detention Combined Definition

This fee is applicable when the customer holds carrier equipment in the terminal for longer than the agreed amount of free time. Demurrage and Detention is applicable when the customer holds carrier equipment in the terminal (Demurrage) and outside of the port, terminal, or depot (Detention) beyond the free time that is allotted. Calculations are based on calendar days, and the amount is per day, per container from the date of discharge till empty return at the prescribed depot. Storage is billed and payable directly to the port operator (Except in South Africa where this is billed by the line on behalf of the Terminal as a back to back charge)

Non-operating reefers (NORs) are charged as DRY Non-IMO containers.
