To Our Valued Customers,

We would like to express our sincere thanks for your continued support for Maersk services.

As part of our regular review of our charges, Maersk is announcing a change in name of "Late Documentation Fee" to **Late Payment Fee for the payment which is made more than 7 days after the vessel departure**, effective from June 15th 2018.

Bookings created with price calculation dates on/after the above-mentioned date will take the new surcharge name with below tariff level:

Surcharge	Rate Basis	Currency	Amount
Late Payment Fee (LPF)	Per Bill of Lading	IDR	1,500,000 per week

In order to prevent late payment fee being charged to your shipment, we highly advise you to follow below steps

1. **Arrange payment not more than 7 days after vessel departure.**
2. **Mention BL number or invoice number in the payment proof.**
3. **Send the payment proof to id.export@maersk.com not more than 7 days after vessel departure.**
