What happens next?

In order to clear your cargo, we will need documentation from you about your cargo. This should be uploaded in the Shipment Binder as it becomes available. A list of required documents can be found below.

If this is the first time your company has purchased Customs Clearance (on import or export), you will also need to complete and upload a form providing us authorisation to act on your behalf:

[Direct Representation and Power of Attorney \(English\)](#)

This form only needs to be completed once, and can be uploaded along with your other documents in the Shipment Binder later.
