The screenshot shows the Maersk website homepage. At the top, there is a navigation bar with links for Prices, Book, Schedules, Tracking, Manage, Services, Company (which is highlighted with a red box), Register, and Login. Below the navigation bar is a sidebar with several sections: Help (Why Maersk?, Get Started With Maersk, Local Information, Support, Contact Us), Resources (News & Advisories, Events, Logistics Insights, Logistics Explained), Quick Links (Digital Services, MyFinance, Emissions Studio, Data Integrations, Captain Peter, Container Sales, Download Maersk App, Supply Chain Platform, All Transportation Services, All Supply Chain Services), and About (Careers, About Us, Investors, Procurement, Press, Sustainability, Maersk Growth). To the right of the sidebar, there are two promotional boxes: one for the East-West Network featuring a cargo ship at a port, and another for Global Logistics Trends of 2025 featuring a night view of a winding road. At the bottom of the sidebar, there are buttons for 'Talk to an expert' and 'Subscribe to newsletter'.

The screenshot shows the 'Latest news' section of the Maersk website. It features a large image of four people (three men and one woman) sitting around a table, with logos for CATL and Maersk in the background. Below the image, there is a heading 'Press releases' and a news article titled 'Maersk and CATL Forge Global Strategic Partnership in Supply Chain Electrification and International Logistics' dated 10 Oct 2025. To the right of the news section, there is a call-to-action box with the heading 'Subscribe for operational updates from Maersk' and the text 'Get operational information, advisories and more delivered straight to your inbox.' A red box highlights the 'Sign up' button.
