

Improvements to Container Late Gate-In Process for Port Klang and Tanjung Pelepas Loading

We hear your feedback and have improved our late gate-in procedures. In the event you cannot meet our Container Yard (CY) cut-off, we hope this will give you the flexibility you need to perform late gate-in requests, either at Port Klang or Tanjung Pelepas Port.

Late Gate-In Request Workflow

- If late gate-in or Container Yard (CY) extensions are required, kindly use below format

Email Subject : Request for Late Gate-in Containers
Vessel/Voyage : (Example) Warnow Mae V. 1212
ETA : 01 June / 2100 hours
CY Closing : 01 June / 0900 hours
Extension Request : 01 June / 2000 hours

No	Booking Number	Container No.	Size	Discharge Port
1	MCBxxxxxx	MSKUxxxxxx		

- Here's the list of respective parties involved, please ensure that you're sending only to relevant emails according to your load port:

Terminal	Timeline	Email Address
Port Klang, Northport	15 hours prior vessel arrival	execspu@northport.com.my customerservice@northport.com.my
Port Klang, Westport	15 hours prior vessel arrival	yardplanning@westports.com.my vpm@westports.com.my ctcs@westports.com.my
Tanjung Pelepas Port	15 hours prior vessel arrival	vesselplanning@ptp.com.my AllOperationGateTeam@ptp.com.my tppcargo@ptp.com.my Note: Please copy in asiopshub@sealandmaersk.com

- Acceptance will be informed by terminal directly via email
- In case of rejection, Global Shared Center will roll the containers to next vessel as per same service string and will inform Customer and local Sealand Customer Service Agent

We thank you for your ongoing and valuable support. Should you have any further enquiries, please contact your local Sealand representatives
