New account for transactions related to Cuba & Sudan

To Whom It May Concern,

Due to extraneous circumstances, on the 15th of November 2022, **all Maersk entities' bank accounts at Handelsbanken Denmark will be closed**, including those being used for Cuba & Sudan related transactions.

We have new accounts in place with HSBC for the collection and payments of screened and lawful payments related to only Cuba and Sudan below.

As it will take time to change our invoices, we kindly ask for your assistance and vigilance in communicating the new accounts to our customers, so that we can continue to receive payments from our customers and reduce any impact to the business.
