

Download Your Invoice at MyFinance on Maersk.com

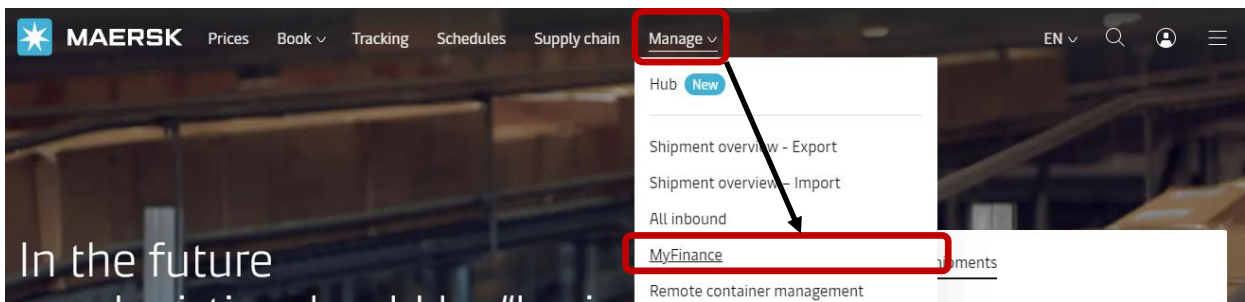

Dear Valued Customer,

For immediate access to your invoices and full visibility of your statement of accounts, kindly visit Maersk.com to view these features on MyFinance.

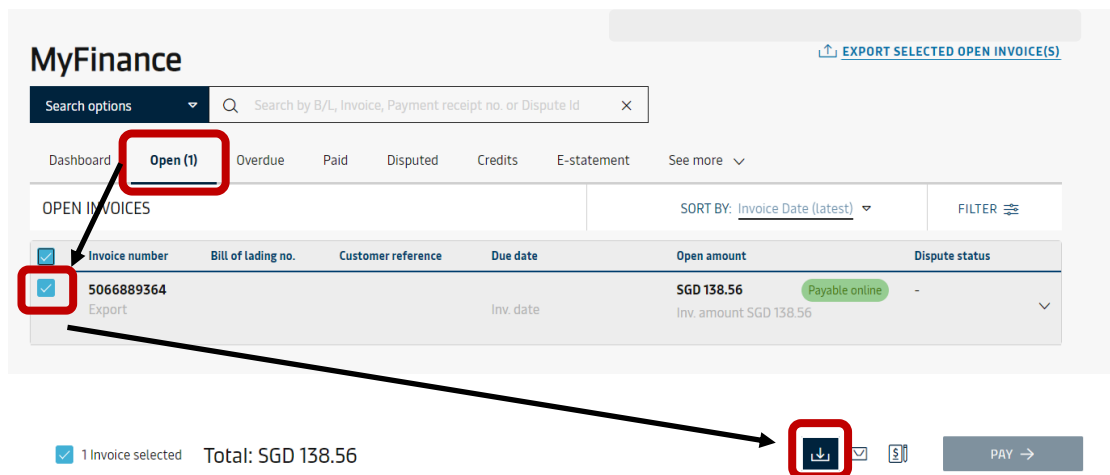

Do note that this feature is only accessible to the payer party assigned for the collect charges, as the invoice party in the shipment.

Steps:

1. Go to Maersk.com and log in or [create new user](#) if you do not have an account.
2. Click on the **Manage** button and select **MyFinance**.

3. Select **open** invoices. For download of **single invoice**, click on the **invoice number** of the respective document you wish to download.
4. For download of **multiple invoices**, click on the **checkboxes** for invoices you would wish to download. Then, select the **download** button, as shown at the bottom of the web page.

Thank you and should you require further support, kindly feel free contact your local customer service office.

Best regards,
Maersk
