**Topic : Update commodity for Container Deposit Insurance (CDI)**

Dear Valued Customer

We would like to announce that we have updated commodity for Container Deposit Insurance (CDI). **Container Deposit Insurance can be used instead of settling container deposit payments in cash or cheque with the carrier.** In essence, this will increase convenience for customers since it eliminate container deposit refund process. This insurance is a collaboration between The Customs Broker and Transportation Association, Thai Authorized Customs Brokers Association, and Thai Star Surety Co., Ltd. (Insurer).

This insurance policy will expire automatically when you return all containers with no damage and no pending charges, e.g. Demurrage, Detention and 3<sup>rd</sup> recovery process. Please note that insurance premium are non-refundable and insurance coverage are unable to deduct with other carrier charge.
