Dear Valued Customer

It pleases us to present you the Container Deposit Insurance (CDI) that is a collaboration between The Customs Broker and Transportation Association, Thai Authorized Customs Brokers Association, and Thai Star Surety Co., Ltd. (Insurer). **Container Deposit Insurance is inexpensive and can be used instead of settling container deposit payment with the carrier.** This insurance policy will be expired automatically when you returned all containers with no damage and no pending charges, e.g. Demurrage, Detention and 3rd recovery process. In essence, this will increase convenience for customers since it eliminates container deposit refund process.

Please note that we reserve the right to accept deposit container in cash or cashier cheque after ETA : 1st October 2020 onwards
