

Dear Customers,

we would like to offer you the opportunity to flexibly choose the return delivery depot within the port range for 20DC / 40DC / 40HC.

The depot you have been advised on the delivery order might have changed, if received last weeks.

Therefore please check below, which terminal will accept your container for the current week.

If depot change is needed, please send a notification with new depot to your customer service counterpart.

Special Equipment for Bremen is an exceptional case:

Here we accept only containers, which have a CY Bremen B/L, unless a special deal has been agreed.

For any inquiries please contact your local customer service team, they will be happy to support you!

Best Regards

Equipment Team
