

1st January 2020

Dear Partner,

Due to the overdemand we have been experiencing on domestic truck market it became unavoidable to revise our trucking related deadlines from **1st of January** so that we can provide sufficient and proper capacity and service level to our valued customers.

Please provide your trucking requests until **15:00** CET 2 days before the required day.

Cancellation:

- Before Day2 **10:00** free
- Before Day2 **15:00** EUR 175
- After Day2 **15:00** full tariff

Amendment:

- In case amended stuffing/unstuffing falls on different date than originally ordered we consider it as cancellation

Example:

All orders after deadline are subject to truck availability.

We want to thank you for your business and look forward to continuously serving your global transportation needs.

Yours sincerely,
Maersk Hungary Kft.
