Dear Customer,

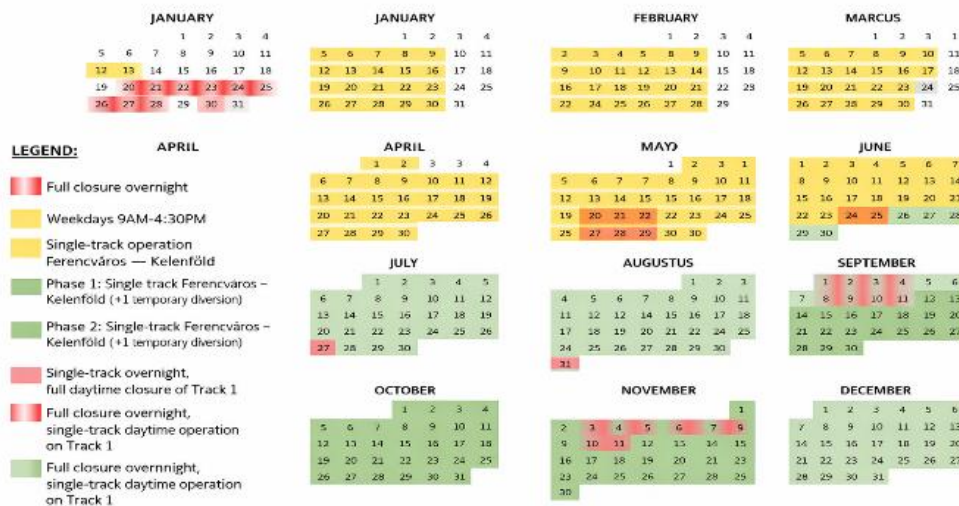

We would like to inform you of several ongoing and upcoming developments affecting transport operations across Adriatic and North Ports. These updates may impact transit times, train schedules, and container handling procedures. Please find the key points below:

Vendor is currently unable to predict major impact closure, but please expect longer transit time.

From 7 April 2026 for approximately 20 months:

This has been forecasted as potential bigger problem affecting train circulation, but firstly vendors need to see how the transit time will be affected by the February-April closures, from where they can point to a more reliable prediction.
