

DEMURRAGE & DETENTION - EXPORT

RUSSIA FAR EAST

Definition

Name	Start	End
Export Detention	day when empty container has been picked up from the agent (gate out date)	day when laden container has been delivered to the agent (gate in date)
Export Demurrage	day when laden container has been delivered to the terminal (gate in date)	day when laden container has been loaded from the terminal to the vessel

Note: export Detention on all empty export containers that are returned to carrier upon booking cancellation, will be calculated from the date of removal of the empty containers from any of carrier depots, until the date which the container is returned to carrier, not used for export. Free days will not be considered, standard per diem rates will be applied.
