

Notice of Weight Discrepancy & Applicable WDF Charges

Dear Customer,

Please be informed of the below details of weight discrepancy noticed.

Maersk compares the difference between cargo weight + tare weight against the declared VGM. There is a significant difference noticed between the cargo weight declared on your shipping instructions and the VGM. Please submit your corrections by (XXXX VGM/SI Deadline whichever is higher).

In case this is not corrected by the deadline a **Weight Discrepancy Fee (WDF)** would be applicable

SHIPMENT	CONTAINER	APPLICABLE_AMOUNT	DETAILS
S1	C1	XXXX XXXX (+ taxes as applicable)	VGM Weight (32106.00 KGS) and SI Weight (Stuffing Weight 12500.00 KGS + Tare Weight 3720.00 KGS) difference is higher than Threshold Weight (3000.00 KGS)

For any additional inquiries, we invite you to contact your customer service agent/department within next 72 hours.

You can find information for your local Maersk office in below link.
