Empty Container Release for Export

Dear Customer,

As part of our ongoing commitment to providing exceptional service and ensuring a seamless process for our customers, we would like to remind you of the required documents for the smooth release of empty containers for Export at the yard/depot.

The following documents must be presented at Maersk Yard/Depot for the release of empty containers:

- **Valid Booking Confirmation (CRO)** clearly showing the Clearing Agent's and Shipper's names
- **Clearing Agent's Loading Slip**
- **Copy of the Truck Driver's valid CNIC or valid Driving License**

Please note that empty containers will only be released upon presentation of the above documents, and no exceptions will be made. Additionally, empty containers will only be released from the Release Yard/Depot specified in the Booking Confirmation (CRO).

The yard will save the picture of the driver at Received and Delivery (R&D) desks and will also collect the thumbprint of the driver while issuing EIR.

The booking party is fully responsible for the safekeeping of the Booking Confirmation (CRO) and should ensure it is handed over only to their authorized clearing agent or transporter for the pickup of empty containers.

We truly appreciate your understanding and cooperation in adhering to these requirements. It is our commitment to continue providing you with the highest level of service.

Thank you for choosing Maersk for your logistics needs. We remain dedicated to offering you seamless and user-friendly services. Should you have any questions or require further clarification, please do not hesitate to contact Maersk local Customer Service or Sales team.

Regards

Maersk
