Vessel GFS PRIME / 081E Delay Update

Dear Customer,

Maersk is always committed to offer you with best-in-class services, which is why our endeavor is to always keep you updated on any changes that occur with respect to our services.

Please be informed that the Vessel GFS Prime / 081E is experiencing a delay due to multiple factors, including berthing congestion at **Jebel Ali and Bahrain**, as well as adverse weather conditions.

Under the current circumstances, the vessel is now expected to berth at **QICT** on **14th August at 0900 hrs**, reflecting a **2-day delay**. Despite this delay at QICT, we will maintain the committed transit time for your cargo.

Revised CY/ SI Cut-off:

| Date | Time |
|-------------|----------|
| 12th August | 1100 hrs |

We appreciate your understanding and continued trust in Maersk.

Yours

sincerely,

Maersk Pakistan.
