

24th December 2024**Vessel Omission WK 01**

Dear Customer,

As your integrated logistics partner, our aim is to provide you the best ability to manage an efficient supply chain that keeps running without any delays or challenges. However, this is sometimes unavoidable – in which case, it is our utmost priority to ensure that you have the necessary information to better plan your logistical network.

In this regard, we would like to inform you that vessel **MARATHOPOLS – 501S** will be omitting Port Qasim (“PQ”) and below are the details for your reference:

Vessel Name	Load Port	Vessel Voyage	Sailing Week
MARATHOPOLIS	Port Qasim	501S	01

Please be noted that export shipments planned on MARATHOPOLIS from PQ to Salalah & Mombasa discharge will be moved on **MAERSK CHICAGO / 452W**, expected departure of this vessel is 1st **January** from PQ, below are the vessel cut off for your reference.

ESI Cut Off	28th December 23: 59 PM
CY Cut Off	30th December 08: 00 AM

However, export shipments planned on MARATHOPOLIS from PQ to Mundra discharge will be moved on next Mawingu **MAERSK CAIRO / 502S**, expected departure of this vessel is 9th **January** from PQ.

Kindly feel free to reach out to your local Maersk Customer Service representatives in case of further queries.

Regards
Maersk
