

13st Aug 2026**Transport document amendment fee (AME)**

Dear Customer,

We are excited to announce a new feature on our website, effective from **13th September 2026**, which allows you to easily choose the payer and pay term for the **Transport Document Amendment Fee (AME)**. The AME application is instant, and your invoice can be generated immediately if the vessel has already sailed for your shipment.

Key Details:

- **What it covers:** This surcharge applies to any bill of lading amendments made 1 day after the containers have been loaded on board the vessel.
- **Pricing & Currency:** The fee, including tariff and currency, will be applied based on the cargo origin country.

We appreciate your business and look forward to continuing to work with you. If you have any questions, please feel free to reach out to our local representatives on [Maersk.com](https://www.maersk.com).

Best regards,
Maersk
