DATE : 07 December 2020

The Electronic to Mobile (E2M) - Online Release System (OLRS) for Export declaration is now ready for implementation. In line with this, filling-up of the Registry Number in submitting the electronic copy of the Export Single Administrative Document (SAD) in the E2m System is MANDATORY.

In view thereof, we would like to inform our Exporters that the implementation of the OLRs for Export declaration is on **11 January 2021**. On the said date, lodgment of the Export SAD without the Registry Number will not be accepted by the E2M System.
