

## Terminal Information

Please find links to ocean terminal websites below. Those with an asterisk (\*) at the end of the terminal name require a login to access vessel schedules and receiving information. Some terminals may offer subscription services for automatic notification of changes.

### Terminals effective February 21 (including those already in effect)

| Terminal                                | City          | State/<br>Province | Website   |
