Dear Valued Customer

DURBAN TERMINALS OPERATIONAL STATUS UPDATE

Transnet Port Terminals (TPT) Durban Terminals are pleased to inform you that all Terminals are operational from today, albeit not at 100% capacity. Some employees have been impacted as the roads to their residences are still inaccessible in various areas. There has been no major damage to Terminal equipment and infrastructure. Some operational areas are waterlogged however this will recede. TPT anticipate full operational capacity before the end of the week. Below is an operational update per terminal for your information.

Terminal	Operation	Update
Pier 1	Waterside	The Terminal has commenced operations with as staff compliment of 73%. There are 2 vessels on the berths with a total of 4 gangs (2 gangs per vessel) with 1 vessel at outer anchorage.
	Landside	Traffic volumes are currently low with only 15 trucks in the staging area. No appointment slots will be available. The Terminal will provide an update via the usual communication platforms once appointments slots reopen.
	Rail	Is operational with 1 gang.
Pier 2	Waterside	The Terminal has commenced with a staff compliment of 50%, however, we will man 4 gangs from 12h00 today with 1 gang deployed on each berth. The focus remains on clearing the backlog of traffic on the landside. There are 2 vessels at outer anchorage.
	Landside	Operations as commenced with 105 trucks inside the terminal and 292 trucks in the staging area. All resources have been deployed on the landside to clear the backlog of traffic.
